MEMORANDUM FOR: DEPUTY FOR POLICY COORDINATION, SE

SUBJECT: Daily Progress Report for Monday, 31 March 1952

1. BOFIEND. 100,000 copies of the new NCFA Resistance slogan leaflet were dropped over Tirana, on the night of 30/31 March. The leaflets were aimed at the delegates to the annual meeting of the Congress of the Albanian Workers' Party which is presently meeting in that city. No incidents of any kind were reported by the covert plane crew.

Athens has reported the safe arrival of Col. Selmani and three Zogist supporters who were air-lifted from Germany on March 26th. The team is presently in training and is scheduled to be infiltrated into Albania on or about 21 April.

1. The first direct report on the BOFIEND Propaganda Supply Drop Program has been received. A recent exfiltrate was debriefed by one of the BOFIEND Staff Officers and stated the populace in the Korcha area recovered some of the foodstuffs that were dropped and a terrific boost to morale resulted.

2. During the past week the Rome office of NCFA received two letters from members of Red One Team which was infiltrated into Albania in November 1950. In summary the team reported they have remained intact, have established a letter drop and plan to re-enter Albania on April 15th. At present they are inside Yugoslavia where they have succeeded in avoiding Yugoslav Security Forces. During the course of the past year occasional word has filtered from Yugoslavia about this team. At one point it was feared they had defected to the Yugoslavs but these letters and a long summary report of their activities since infiltration, received several months ago, states the team has remained loyal to the NCFA and has worked consistently in its behalf.

2. BOCONVOY. No report.

3. OKEROIL. No report.
